Roto Eifel | Eifel TB Flex installation bracket

Product data sheet

Description Eifel TB Flex installation bracket
Dimensions See Roto Eifel catalogue (CTL_87)
Application Forms a suitable surface for applying sealants
Application area Main doors and balcony doors
Raw material Aluminium

Material properties

		Test procedure
Modulus of elasticity	70 MPa	ISO 178
Density	2.7 g/cm^3	ISO 1183
Hardness	–	–
Min. temperature	–	–
Max. temperature	–	–
Thermal conductivity λ	200 W/mK	–
UV resistance	Yes	–
